

**AYSC Board Meeting  
September 9, 2007  
Village Pizza & Seafood, Alvin**

The meeting was called to order at 7:05pm by President Franzel Tongol.

Attendance: Amanda Morris, John Purcell, Don Fick, Krysanne Price, Franzel Tongol, Jason Patton, Nikki Nauck, Amber Thompson and Margaret Mauldin.

A motion was made by Nikki N to approve the August minutes, Jason P seconded – motion approved.

Franzel went over the highlights from the September BAYSA Board Meeting – see minutes online at [www.baysa.org](http://www.baysa.org)

BAYSA needs certified referees – for more information, contact AYSC's referee liaison, Jacqui Floyd at [ttjf@sbcglobal.net](mailto:ttjf@sbcglobal.net)

Sponsors: Amanda M

We have 40 teams that need sponsors and received approximately 35 sponsorships.

Pictures: Amanda M

Picture day is scheduled for 9/22 and 9/23 at Harby Junior high in Alvin. The photographer is Leroy Marino. All teams need to get their picture packets and schedule their photo sessions through Amanda. ALL teams need to plan on getting a team picture made with the photographer so we can have a plaque to give to the sponsor. Each team member in the team group photo will receive a FREE team photo.

Equipment: Margaret M

Margaret has used equipment that she will donate to a service organization. If any teams are interested in having some of the old equipment, contact Margaret.

Uniforms: John P

We have been trading out short sizes for players but, overall, we have had few problems with the jerseys. We have received many compliments on the uniforms.

Scorekeeper: Nikki N

ALL GAME CARDS are due in the mailbox in Deer Trails by 7pm on the Sunday night of the weekend of your game.

Scheduler: Don F

All schedules are out and are final.

Fields: Jason P

There is a problem with the small sided field nets because adults are playing on the fields and kicking the ball too hard and putting holes in them. Please help us police the small fields and ask adults not to use them.

Mowing: we need 10ft extra from the outside white line on all fields

Parking Lot: the county will provide the pile-ons and we have a parent/coach who has offered to provide the crushed concrete for the parking lot we are building behind field 36. Amanda also suggested we contact Good Earth Company.

Concession Stand: the concession stand is open and ready for business. Any U9 or above team can use the concession stand for a fundraiser. Contact Jason P, VP of fields, to schedule a date.

The small goals will be staked down this week.

Coaches and Parents: please keep your players/children off the goals!!!!

New Business:

- \* We need to explore options to help meet our 2007 budget since the tournament was cancelled.

- \* We have 35 grant applications which represent 10% of our registered players for 2007. Franzel will work on a proposal for next year's grant program.

A motion was made to adjourn the meeting at 8:38pm by Amanda M, Margaret M seconded – motion passed.
