New Business:

Sara Pannell-Fliou presented her case to the board and board voted to exempt Sara’s team from training with Brenden Keyes. Board will prove these on a case by case basis only.

Lori to run add in July to try and recruit referees for Alvin

Brenden Keys offered to allow Alvin to host a game. We would have to provide lights and cover the referee fees. Only profit would be from proceeds from the concession stand. After much discussion, board voted to decline Brenden’s offer.

Fliou volunteered to referee liaison.

Don made a motion to end the meeting at 7:25pm, Tara seconded, motion carried.

Respectfully Submitted
